CORRECTED ORDER

The Employer's Request for Review of the Regional Director's Decision and Certification of Representative is denied as it raises no substantial issues warranting review.¹

¹ We agree with the Regional Director's finding that no solicitation of mail ballots occurred during the home visits. We therefore find it unnecessary to address the question of whether mere solicitation of mail ballots constitutes objectionable conduct, as urged by the partial dissent in *Fessler & Bowman, Inc.*, 341 NLRB 932, 935-936 (2004). Further, in agreeing with the Regional Director's finding that the Petitioner's representatives' offers to drive employees to mail their ballot were not objectionable, we do not rely on the Regional Director's discussion of *Longwood Security Services, Inc.*, 364 NLRB No. 50 (2016).
